## VARIATIONS

Amended Eurostar services may run on and around public holidays and for engineering works. It's a good idea to check when you book and before travelling.

## CHECK-IN ADVICE TO TRAVELLERS

Make sure you allow plenty of time to check in. When travelling to or from Disneyland® Paris, the French Alps or to Lyon and the South of France, it's a good idea to arrive at the station at least **60 minutes** before departure.

On your way back from Lyon or the South of France you won't need to check-in 30 minutes before departure as we'll be doing check-in, security and immigration checks later in the journey at Lille Europe, but we strongly recommend that you allow plenty of time to arrive at the station and get to the platform from where your train departs.

## CONNECTIONS TO DISNEYLAND® PARIS THROUGH LILLE EUROPE

On days when our direct Disneyland® trains aren't running or they're fully booked, you can still get to and from the park gates by catching a local high-speed train from Lille Europe station. Trains run regularly every day and making your connection there is simple – all you need to do is change platforms.
